CATALOG

Foreward

Welcome to our latest catalog, where we proudly present the culmination of over 40 years of dedication and expertise at New Life Heavy Duty Trailer Parts.

At the heart of our success are our core values, which guide every aspect of our operations:

GLAD TO BE HERE: We take pride in our work and are grateful for the opportunity to serve you.

SIMPLIFY: We streamline processes to make your experience as effortless as possible.

PASSION: Our enthusiasm for what we do fuels our commitment to excellence.

HANDS-ON: We believe in a practical, hands-on approach to solving your needs.

CONSISTENCY: You can rely on us for dependable service and quality, time after time.

HUMILITY: We remain grounded and focused on continuous improvement.

WILLPOWER: Our determination drives us to overcome challenges and deliver results.

For over four decades, we have honed our skills in identifying and sourcing the parts that keep your operations running smoothly. Our team is trained and developed to ensure your part needs are met with a focus on building relationships that transcend a simple transaction. We pride ourselves on our personal touch and endeavor to ensure we cover all of your heavy-duty truck and trailer needs.

Thank you for choosing New Life Heavy Duty Trailer Parts. We look forward to continuing to serve you with the same dedication and excellence that have defined our legacy.

New Life Heavy Duty Trailer Parts commitment to you:

Delivering the Hardest Heavy Duty Solutions - Together!

Part No. Description

HLXAQ960510	ABS - Universal PLC 2S/1M Replacement Kit
-------------	---

Kit Includes

- PLC Select Valve ECU Assembly - 6 Port
- 6.6' Sensor Extensions (x2)
- 19' Power Cord Extension
- Installation Instructions
- PLC Service Manual

Part No. Description

HLXAQ964110	ABS PLC Select ECU Upgrade Kit - 2S/1M
-------------	--

Kit Includes

- 1M Power Cord Extension
- 0.5M Sensor Extensions
- PLC Select ECU & Bracket
- Tie Down Clips (HLXAL920809)

PLC Select 1M ECU

Part No.	Application	Description
HLXAL919338	Multi-Axle (Non-Steer Axles)	• Wheel-speed Sensor and Trailer Power connects directly to ECU - No intermediate cables required
HLXAL919339	Dollies & Single Axle	• Single fastener design assures easy serviceability • Potted ECU Enclosure provides excellent protection from the environment • PLC Select 1M supports all 2S/1M applications

Haldex ABS

Enhanced Easy-Stop™ — 2S/1M Retrofit Kit	
Part No.	Description
4006120000	ECU Valve Kit
4005001010	ECU Valve Assembly
S8946073120	12" Adapter Power Cable (Easy-Stop to Enhanced Easy-Stop)

4006120000

Ports: DEL: 3/8" (x4); SUP: 3/4" (x2); CON: 3/8"

Enhanced Easy-Stop™—2M,3MRetrofitKit	
Part No.	Description
4006120100	ECU Valve Retrofit Kit
4005001030	ECU Valve Assembly
S8946073120	12" Adapter Power Cable (Easy-Stop to Enhanced Easy-Stop)

HLXAL1027196

Ports: DEL: 3/8" (x6); SUP: 3/4"(x2); CON: 1/4"

Enhanced Easy-Stop™ — 2S/1M Retrofit Kit	
Part No.	Description
4006120010	ECU Valve Kit w/ Y Adapter
4005001010	ECU Valve Assembly
S8946073130	Adapter Power Cable (With Diagnostic)

4006120010

Ports: DEL: 3/8" (x4); SUP: 3/4" (x2); CON: 3/8"

Enhanced Easy-Stop™ — 4S/2MRetrofit Kit	
Part No.	Description
4006120110	ECU Valve Retrofit Kit
4005001030	ECU Valve Assembly
S8946073130	Adapter Power Cable (With Diagnostic)

4006120110

Ports: DEL: 3/8" (x6); SUP: 3/4"(x2); CON: 1/4"

Enhanced Easy-Stop™ — 2S/1M Retrofit Kit	
Part No.	Description
4006120120	TCS2 ECU Valve Kit
4005001040	ECU Valve Assembly
S8946073120	12" Adapter Power Cable (Easy-Stop to Enhanced Easy-Stop)

4006120120

Ports: DEL: 3/8" (x2); SUP: 3/4" (x2); CON: 3/8"

Universal — 2S/1M Retrofit Kit	
Part No.	Description
4006120160	Universal ABS Retrofit Kit
4005001010	ECU Valve Assembly
Includes: 14' Power Cable, Sensors w/ 18" Leads (x2), 6' Sensor Extension Cables (x2), Sensor Clips (x2)	

400620160

Ports: DEL: 3/8" (x4); SUP: 3/4" (x2); CON: 3/8"

WABCO

4006120090

ECAS Solenoid Modulator Valve Kit

Part No.	Description
4006120090	Modulator Valve Kit (For Trailers Prior to 4/1/99)
4721950330	Relay Only
8946011322	3-Pole Adapter Cable - 6"

Ports: DEL: 3/8" (x4); SUP: 3/4" (x2); CON: 3/8"

WBC4005004200

Air Valves — iABS Modules

Part No.	Description
WBC4005003200	2S/1M Standard
WBC4005004200	2S/2M, 4S/2M Standard

WBC4497330180

iABS Power Cables

Part No.	Length
WBC4493060300	118"

ABS Solenoid Modulator Valve

Part No.	Description
4721950520	Modulator Valve (Bayonet Connector)

Ports: DEL: 1/2"; SUP: 1/2"

iABS Extension Cables

Part No.	Length
WBC4497330180	70.9"
WBC4497330300	118"

WABCO's iABS Trailer ABS is an electronic, self-monitoring system that works with standard air brakes. In addition, iABS includes Power Line Carrier (PLC) capability and CAN capability.

EBS Trailer Modulator Valve

Part No.	Description
4801070010	Modulator Valve - Roll Stability

Ports: DEL: 3/8" (x8); SUP: 3/4" (x2); ASB: 3/4"

4005001010

Enhanced Easy-Stop™ — 2S/1M Basic

Part No.	Description
4005001010	ECU Valve Assembly
4461082010	ECU Only
4721950330	Relay Only

Ports: DEL: 3/8" (x4); SUP: 3/4" (x2); EXH: 3/4"; CON: 3/8"

4005001030

Enhanced Easy-Stop™ — 4S/2M Premium

Part No.	Description
4005001030	ECU Valve Assembly
4008506010	ECU Only
4008506020	Relay Only

Ports: DEL: 3/8" (x6); SUP: 3/4" (x2); CON: 1/4"

4005001020

Enhanced Easy-Stop™ — 2S/2M Standard

Part No.	Description
4005001020	ECU Valve Assembly
4008506000	ECU Only
4008506020	Relay Only

Ports: DEL: 3/8" (x6); SUP: 3/4" (x2); CON: 1/4"

4005001040

Enhanced Easy-Stop™ — 2S/1M MAR

Part No.	Description
4005001040	ECU Valve Assembly
4461082040	ECU Only
4721950330	Modulator Valve - Bayonet
4784070584	Bracket

Ports: DEL: 3/8" (x4); SUP: 3/4" (x2); CON: 3/8"

4493150300

Power Cables — Blunt Cut to 4-Pin

Part No.	Length
4493150300	120"
4493151500	588"

8946049440

Power Cables — Standard to 4-Pin

Part No.	Length
8946049440	36"
8946060380	185"

4493510100

Power Cables — Roll Stability Support Plus

Part No.	Length
4493510100	39.4"
WBC4493510470	185"

Control Line Filter — Mounts at Gladhand

Part No.	Ports
4325000050	1/2" (x2)

90° Right Angle Sensor Kits		
Fleet-Craft	WABCO	Cable Lead
FC5335	4410309072	12"
FC5336	4410309182	36"
FC5341	4410309092	70"
FC5342	4410309102	78"

Straight Sensor Kits		
FleetCraft	WABCO	Cable Lead
--	4410309042	39.4"

FC5338	4410309082	70"

90° Right Angle Sensors (Sensor Only)	
Part No.	Cable Lead
1810002	12"

Sensor Extension Cables	
Part No.	Length
FC7130180	72"
4497130180	
4497130300	120"
4493260470	180"
4497130500	192"

Sensor Accessories	
Part No.	Description
S2255U1113	Sensor Holder (Welded to Axle Spindle)
1810001	Sensor Clip

Sensor Extension Cables—Roll Stability Support Plus			
Part No.	Length	Connection 1	Connection 2
4497230180	185"	2-Pin Standard (Plug)	4-Pin (Code A)

Brake/Spring Brakes

Trailer Emergency Valve — Spring Brake Priority		
Part No.	Ports	
51301	DEL: 3/8" (x4); SUP: 1/4"; CON: 1/4"; RES: 3/4"	

Standard Spring Brake Control Valve		
Part No.	Ports	
110500	DEL: 3/8" (x4); SUP: 3/8"; CON: 3/8"; RES: 1/2"	

110170

Protected Reservoir Spring Brake Control Valves		
Part No.	Ports	Cover Plate
110170	DEL: 3/8" (x4); SUP: 3/8"; CON: 3/8"; RES-A: 1/2"; RES-B: 1/2"	Standard
110171	DEL: 3/8" (x4); SUP: 3/8"; CON: 3/8"; RES-A: 1/2"; RES-B: 3/8"	90°

110700

110171

110171: Supply & Control Ports In-line with Reservoir Ports

Enhanced Spring Brake Control Valve		
Part No.	Ports	
110700	DEL: 3/8"; SUP: 3/8"; CON: 3/8"; RES: 1/2"	
110800	DEL: 3/8" (x4); SUP: 3/8"; CON: 3/8"; RES: 1/2"	

SR-5 Spring Brake Valve		
Part No.	Ports	
BNXK033221	DEL: 3/8" (x4); SUP: 1/4"; RES: 1/4" (x2); TSP: 1/4"; SBP: 3/4" (w/ Check Valve)

FC28600

HLXKN28601

Control / Flipper

21600

FC229635

Flipper Lever Control Valves		
Part No.	All Ports	Notes
21600	1/8" NPT	With Face Plate
FC229635	1/8" NPT	Substitute for BNX229635N
BNX229635N	1/8" NPT	TW-1™

Manually Operated On/Off Valve	
Part No.	All Ports
HLX90054088	1/8" NPT

Height Control/Leveling Valves

HLX90555100

HND057977-000

HNDAKEM0005-1

Height Control Valves					
Part No.	Ports	Arm	Dump	Application	Notes
HLX90054007	All Ports: 1/8" (x3) w/ 1/4" fitting	4.125", 7.125"	No	OE on Truck/Trailer	--
HLX90555100	DEL: 3/8" (x2); SUP: 3/8"; PIL: 1/4" (Push to Connect Fittings)	5.5" w/ Vertical Adjustment	Yes	?	PR Plus; Side Manifold
HND057977-000	All Ports: 1/4" (x5)	7" w/ Vertical Adjustment	Yes	Truck	Dump Valve Kit
HNDVS-227	All Ports: 1/4" (x3)	Dual Length Arm; 5", 6.8", 7.5"	No	Trailer	--
HNDVS-228	All Ports: 1/4" (x5)	Lever Arm: 5", 7.4", or 8.5"	Yes	Trailer	--
HNDVS-27116	DEL: 3/8" (x2); SUP: 1/4" (x2); PIL: 1/4"; DMP: 3/8"	8.5"	Yes	?	--

Manual Dump Valve Kit — 1/4" Ports (x4)

Part No.	Description
HNDAKEM0005-1	Kit (includes HNDVS-30428 & HNDVS-30427)
HNDVS-30428	Manual Push/Pull Dump Valve
HNDVS-30427	Mounting Bracket

HNDVS-30427

Linkage Components

Part No.	Description
HNDS-14187	Bolt-On Adjustable Link Assembly
HLX48100225	19-5/8" Max Adjustable Linkage
HLX48100267	13-1/2" Max Adjustable Linkage
HLX90054630	Universal Connector

Pressure Protection

Pressure Protection Valves				
Part No.	Img	Ports	Open Pressure	Closed Pressure
140280	A	3/8" NPT	--	70 PSI
HLX90554107	B	1/4" NPT	75 PSI	70 PSI
HLX90555396	C	1/4" NPT	70 PSI	65 PSI
HNDVS-38941	D	1/4" NPT	75 PSI	70 PSI
VLV032218	E	In: 1/2" NPTM; Out: 3/8" NPTF	55 PSI	45 PSI

Emergency Control Pressure Protection Valves

Part No.	Ports	Open Pressure	Closed Pressure
110257	3/8" NPT	75 PSI	70 PSI

Note: Does not interchange with other pressure protection valves due to the special back flow.

Solenoid

3-Way Electric Solenoid Valves — 12V		
Part No.	Ports	Position
HLX90054074	1/4" NPT Ports	Normally Closed
HLX90054075	1/4" NPT Ports	Normally Open

HLX90054074

4-Way Electric Solenoid Valves — 12V		
Part No.	Ports	Operating Pressure
VLV320178	1/4" FPT Ports (x5)	100 PSI

Note: Not intended to be used as a dump valve

Quick Release

Quick Release Valves — 0 PSI Crack Pressure		
Part No.	Ports	Notes
FC289714	DEL: 3/8" (x2); SUP: 1/4"; BAL: 1/4" (All Ports Female NPT)	Fleetcraft Replacement for Bendix QR-1C®
BNX289714N	DEL: 3/8" (x2); SUP: 1/4"; BAL: 1/4" (All Ports Female NPT)	QR-1C® Series Double Check Valve
BNXOR289714X	DEL: 3/8" (x2); SUP: 1/4"; BAL: 1/4" (All Ports Female NPT)	QR-1C® Series Double Check — Remanufactured Coreless
BNX800333	DEL: 1/2" (Female); SUP: 1/2" (Male)	QR-L™ Series Inline — Dust Shield (x2)
BNXOR229859X	DEL: 3/8" (x2); SUP: 3/8" (All Ports Female NPT)	QR-1® Series — Coreless

Suspension

3-Way Pilot Valve — Remote Mount	
Part No.	Ports
HLX90554615	N/O: 1/4"; N/C: 1/4"; SUS: 1/4"; PILOT: 1/8"

Hand Operated Push Pull Valve		
Part No.	Ports	Pop Pressure
HLXKN20012	DEL: 1/4"; EXH: 1/4"	0 PSI

3-Way Ball Valve	
Part No.	Ports
HNDVS-22535	1/4" NPT Ports

Hand Control Valve		
Part No.	Ports	Pressure
EUCE4329	1/4" NPT Ports	50-120 PSI

HNDVS-25223

Quik-Draw® 3-Way Auto Reset Valves		
Part No.	Ports	Notes
HNDVS-25223	1/4" NPT Ports	--
HNDVS-25224	1/4" NPT Ports	w/ Fittings

HNDAKAD2010-1

Lift Axle Control Kits — Stainless Steel Enclosure		
Part No.	Ports	Notes
HNDAKAD2010-1	DEL: 3/8" (x6 w/ 2 plugs); SUP: 3/8"; EXH: 1/8" & 1/4"	Base Model
HNDAKAD2011-2		Regulator & Gauge

Air Dryers

AD-9® — 12V/75W — 1/2" Port

Part No.	Description	Purge	Includes
FC65225	New Unit w/ Bracket	Hard	Mounting Hardware
BNX065225	New Unit w/ Bracket	Hard	Mounting Hardware
BNX109685X	Remanufactured Exchange	Hard	Dryer Only
BNX107794X	Replacement Cartridge	--	O-Ring & Grease
BNX5004341X	Purge Valve Kit	Soft	Purge Valve, Mounting Hardware, O-Rings & Grease

FC65225

BNX5004341X

AD-SP® — 12V/90W — 1/2" Port

Part No.	Description	Purge	Includes
BNX800887	New Unit w/o Pigtail	Soft	Dryer Only
BNX5008414	Replacement Cartridge	--	O-Ring & Grease
BNX109995	Purge Valve Kit	Soft	Purge Valve, Piston, O-Ring, Spring, Exhaust Cover, & Retaining Ring

BNX800887

BNX109995

AD-IP® — 12V/90W — 1/2" Port

Part No.	Description	Purge	Includes
BNX065612	New Unit w/ Bracket	Hard	Mounting Hardware
BNX109477X	Reman Exchange w/ Bracket	Hard	Mounting Hardware
FC065624	Replacement Cartridge	--	O-Ring & Grease
BNX109493X	Replacement Cartridge	--	O-Ring & Grease

PARTS OF AN AIR DISC BRAKE

1. Caliper Bridge
2. Retainer Bar
3. Pad Carrier
- 3a. Pad Abutments
4. Long (fixed) Slide Pin
5. Short (floating) Slide Pin
6. Slide Pin Boot
7. Piston Boot
8. Caliper Housing
9. Brake Chamber Mounting Plate
(Brake Mount)
10. Torque Plate / Anchor Plate

Mounting surfaces are named by their reference to the rotor.

Axial - a mounting surface that is parallel to the rotor

Radial - a mounting surface that is perpendicular (90°) to the rotor

Brake Chamber Mounting Plate (Chamber Mount)	
Axial (up to 12°)	Radial (90°)
	

Pad Carrier	
Axial	Radial
	

CALIPER INFORMATION

Calipers are identified as Left or Right based on the location of their short or floating pin.

In most cases, a left caliper will be used on the driver's side of the vehicle. There are some exceptions where interference in the wheel well prevents this. Make sure to replace a left with a left and a right with a right.

FLEETCRAFT BRAKE MANUFACTURING CENTER

Located in Byron Center, MI we operate our brake manufacturing center out of a dedicated 170,000 Square foot manufacturing facility. Our facility comes equipped with the latest technology to ensure a robust brake product offering. We routinely upgrade our systems to ensure we are able to manufacture our brake product to the highest industry standards. This includes our latest disc brake product offering in our Millennium brand.

Fleetcote by FleetCraft is our thermo-finishing powder-coating process that offers superior bonding and protection for our brake shoes. Our process offers a long-lasting durable coating that ensures superior performance in all environments. All of our product goes through a thorough cleaning and blasting process to ensure a perfect substrate for our powder coating process. Once powder coated we run our finished assemblies through our automated rivet process that then tests for proper torque parameters to ensure full rivet engagement. New and re-manufactured product follows the same process to ensure a durable final product.

Due to this superior process, FleetCraft offers a 3-year limited warranty on our brake shoes.

We offer a wide variety of new and re-manufactured product that is processed utilizing the Fleetcote system.

FleetCote System

Our FleetCote System provides the following value:

- Impact resistance, flexibility, and corrosion resistance are superior to liquid paints.
- Superior consistency, durability, and uniformity.
- Salt Spray Testing greater than 400 hours.
- Resists cracking, peeling, and marring during handling and normal service use.
- Powdered coated to ensure 100% coverage.
- Compliant with Environmental Regulations.
- Fleetcraft has one of the most modern brake facilities in the country.
- Highly experienced and knowledgeable personnel.
- 3-Year Limited Warranty!

Diesel 9-1-1®

Diesel Fuel Supplement +Cetane Boost is intended for use only during cold winter months when temperatures drop below +30F. Use Diesel Kleen +Cetane Boost (in the silver bottle) for peak performance in non-winter months. If your vehicle will not start or gain power in cold temperatures, use Diesel 911 (in the red bottle).

Floor Restore

KEY Floor Restore is both an epoxy floor coating and a structural epoxy adhesive. It is a lightweight, flexible epoxy system that fills gouges, small cracks, and delaminations, and waterproofs the entire floor. Floor Restore is a penetrating VOC-free epoxy floor coating product that structurally bonds wood fibers and delaminations, creating a stronger trailer or truck flooring structure that is tough enough to stand up to the most punishing cargos! Floor Restore provides a durable coating that is low maintenance and easy to clean.

Part Number	Description	Color

Smoke Bombs

Easily assess whether or not your dryvan trailer is weather tight. The smoke is a visual indicator of penetrations that may not be easily visible that could cause downstream failures in your dryvan trailer.

Since 1955, Truck-Lite product innovations have established the industry benchmark—time and time again. Approaching innovation with both an open mind and a steady hand has earned us the trust of customers for decades—and we do not intend to stop now.

Backed by a global technology leader, Clariance Technologies, we understand where commercial transportation is going and are developing the right innovations customers need. That means while you are focused on your business today, we can focus on where the industry is going tomorrow.

Connection Information

When it comes to choosing the correct lamps for your truck or trailer, it's important to know the connection type on your vehicle's harness.

If the harness connector type does not match your desired light (lamp connector), you will need a plug to complete the connection.

Lamp Connector
The connector type located on the back of a lamp

Plug Side 1
The connection between a plug and a lamp

Plug Side 2
The connection between a plug and a trailer's harness

TRL44218Y

A Worldwide Leader in Vehicle Lighting and Safety Systems, Grote is proud of the revolution in lighting performance we created in 1989. Since then, LED technology has proved to be more reliable, more durable, and less expensive, lasting 10 times longer and using less power than previous technology. From clearance markers, LED lamps have found uses all around the rigs – stop tail turns, head lamps, auxiliary, interior, and every place a lamp is used today. The future Looks Bright. As LED technology evolves, so does Grote's cutting-edge nanotechnology. With ultimate flexibility, consistent, highquality brightness and the strength to resist the most extreme conditions, LightForm™ is shedding a new light on LED transportation applications. LightForm™ conforms to almost any shape or contour without sacrificing quality or performance. And with LightForm™, there is no mounting or tooling required, so you also save time and money. In fact, the ultra-thin structure is the most flexible, lightweight, low-profile LED lighting product available today.

Established in 2007, UBLights is a premier supplier of heavy-duty transportation lighting and safety products. UBLights has spent the past decade improving the lighting options available to our customers, with hands-on approaches at every level of the process.

UBL is the leading brand in the intermodal market today. We have transitioned the majority of our products to LED, which promotes a longer life, uses less energy, and is more durable than incandescent alternatives.

This focus on LED-forward thinking is key to keeping UBLights at the forefront of transportation lighting technology.

UBLights offers a comprehensive collection of products - trailer and chassis lighting, work light, portable lights, safety lighting options, mirrors, mounting and wiring solutions, and everything your chassis or trailer could need to be in lighting compliance.

We offer a wide range of harnesses from various manufacturers. If you are looking for retro-fits or full harnesses we are able to provide a solution to fit your needs. Please contact your sales representative and they will be able to determine the harness that will work in your application. Having a trailer VIN will be helpful when contacting us about replacement harnesses or components.

1546103

Sealco® Universal Trailer Harness. This harness is designed for a standard 48' Dry Van Trailer.

Continental V Belts

Continental V-Belts provide higher heat and abrasion resistance in even the toughest underhood conditions. The result is greater wear resistance for an exceptional belt life. A polyester tensile member improves dimensional stability, controlling elongation and limiting belt slip.

Continental Multi-V Belts

Continental takes performance to the next level with its OE Technology Series Multi V-Belts, which run quieter and last longer. The belt's advanced EPDM rubber compounds virtually eliminate the chirps, squeaks and squeals typically associated with pulley misalignment. Advancements in design and materials give you the highest performance, low maintenance and proven results with no exceptions.

Lube

Part No.	Description	Application	Image
BALB495	Full-Flow Lube Spin-on	Detroit Diesel Engines, Replaces: Detroit Diesel 23518480	
BALB76	Full-Flow Lube Spin-on	Akerman, Caterpillar, Mack, V.M.E., Volvo, R.V.I. Engines, Equipment, Replaces: Caterpillar 1R0739; Mack 485GB3191	
BALB99	Full-Flow Lube Spin-on	Atlas Copco, Demag, Caterpillar Equipment, Replaces: Caterpillar 1R0716	
BALBD50000	High Efficiency Lube Spin-on	Cummins QST30 Engine; Cummins ISX15 Engines, Replaces: Cummins 4367100; Fleetguard LF14000NN	
BALBD7154	High Velocity Dual-Flow Lube Spin-on	Cummins Engines, Replaces: Cummins 3406809; Fleetguard LF9001	
BALB7177	Lube Spin-on	Equipment, Motor Homes and Trucks with Cummins ISB 5.9L, QSB 5.9L Engines, Replaces: Cummins 3937144	
BALB7685	By-Pass Lube Spin-on	R.V.I., Volvo Buses, Engines, Equipment, Trucks, Replaces: V.M.E. 119962280; Volvo 477556, 477556-5	
BALB7409	By-Pass Lube Spin-on	Mack MP7, MP8, MP10 Engines, Trucks, Replaces: Mack 20843764; Volvo 20843764	

Fuel

Part No.	Description	Application	Image
BALBF1259	Fuel/Water Separator Spin-on with Drain, CAUTION: Furnished D-Ring must be installed on post for seal. Can be used with FB1311 base.	Caterpillar, Cummins Engines; Euclid Rear Dumps; Kenworth, Volvo Trucks; Versatile Tractors, Replaces: Cummins 3329289; Fleetguard FS1000	
BALBF46117	Fuel Spin-on	Mack, Volvo Trucks, Replaces: Mack 23856886; Racor RS250RCR01; Volvo 22094967, 22474709, 23846895	
BALBF46129	Fuel Spin-on, Fill Plug pre-installed in filter. Remove after pre-filling filter with fuel prior to installation on application.	Freightliner; Kenworth; Peterbilt; Volvo Trucks with Cummins ISX11.9, ISX15.0, QSX11.9, X15 Engines, Replaces: Cummins 5365988; Fleetguard FF5825NN	
BALBF63000	Fuel Spin-on	Autocar, Dennis Eagle, Ford, Freightliner, International, Kenworth, Mack, Peterbilt, Western Star Trucks; Blue Bird Buses; Hyundai Excavators, Loaders; Skyjack Boom Lifts; Macdon Harvesters; Vogeles Paving Equipment (All with Cummins, Paccar Engines), Replaces: Cummins 5303743, 5660774; Fleetguard FF63009, FF63054NN	
BALBF7587	High Efficiency Fuel Spin-on, Can be used with FB46185 base.	Caterpillar Engines, Equipment; Ford, Freightliner, International, Kenworth, Peterbilt, Sterling, Western Star Trucks, Replaces: Caterpillar 1R0749	
BALBF9885	Fuel Spin-on, Fill Plug pre-installed in filter.;Remove after pre-filling filter with fuel prior to installation on application.;CAUTION: Not to be used on X15 Engines.	Kenworth, Peterbilt Trucks with Cummins ISX11.9, QSX11.9 Engines, Replaces: Cummins 2864993, 2893612; Fleetguard FF5776	
BALPF9804	Fuel/Water Separator Element	Freightliner Cascadia, Columbia, Business Class M2 all with Detroit Diesel DD13, DD15 Engines, Replaces: Alliance ABP/N10G-FS19915; Detroit Diesel FS19915WE, A0000903651, A4720921205	
BALPF9908KIT	Fuel Filter Kit	Freightliner, Western Star Trucks with Detroit Diesel DD13, DD15, DDD16 Engines Replaces: Detroit Diesel A4720900451, A4720900551	
BALPF7680	Fuel/Water Separator Element	Caterpillar, Cummins, Detroit Diesel, Mack Engines with Davco Housing, Replaces: Davco 380087; Detroit Diesel 23514049; Mack 301SD19A, 301SD19B	
BALPF9814	Fuel/Water Separator Element	Freightliner, IHC, Kenworth, Peterbilt Trucks, Replaces: Fleetguard FS19764; Davco 102527	
BALPF7744	Fuel/Water Separator Element	Freightliner, International, Kenworth, Peterbilt, Sterling, Volvo Trucks, Replaces: Caterpillar 4176217; Detroit Diesel 23521528; General Motors 23521528	
BALPF7930	Fuel/Water Separator Element	Davco FH230 Series Fuel Pro, FH234 Series Industrial Pro, Replaces: Davco 102528; Paccar 382951PAC25; Volvo 21737499, 85120233; Fleetguard FS19765	
BALBF5810	Secondary Fuel Spin-on, Can be used with FB1302 base.	Detroit Diesel Engines, Replaces: Detroit Diesel 23518482	
BALPF7748	Fuel/Water Separator Element	Davco Fuel Pro, Replaces: Detroit Diesel 23529168; Davco 382114	
BALBF7814	Fuel Spin-on	Mack Engines, Trucks; R.V.I. Trucks; Volvo Buses, Engines, Trucks, Replaces: Volvo 20430751	

Air

Part No.	Description	Application	Image
BALPA32000	EnduraCube Air Element	Kenworth Trucks T680, T800, T880, Peterbilt Trucks 567, 579, Replaces: Paccar P621725	
BALRS3518	Radial Seal Outer Air Element	Ford, Freightliner, International, Sterling, WhiteGMC Trucks, Replaces: Ford F1HZ-9601-B; GMC 25177196; International 3520400-C1; White 22-0013212	
BALPA30093	Cab Air Element	Kenworth T680, Peterbilt 579 Trucks, Replaces: Peterbilt X1987001

BALPA4857	Cab Air Element	Freightliner Trucks, Replaces: Freightliner 91559, BOA91559	

Baldwin Filters, a brand of Parker Engine Mobile Aftermarket Division (EMAM), is a global provider of filtration products and services. Their mission is to protect customers' engines and mobile equipment, from first to last use, through innovative filtration solutions and outstanding customer service. Baldwin offers superb product quality, an extensive distribution network and the industry's broadest product line. This comprehensive portfolio of filtration products and technologies offers customers a single streamlined source for all their engine and mobile filtration needs.

Contact your Sales Representative for more information on our Full Line of Baldwin Filters. This is just a small sampling of the filters available to purchase.

MAKE IT A KIT!

With Fleetcraft Landing Gear Sets, Kits, Gearside and Nongear Legs:

- Put a **'K'** on the end of the part number to get the Gearside and Nongear landing along with a crank handle, brace ears, and cross shaft. **Ex: 1013912K**
- Put NOTHING on the end to get just the Gearside and Nongear Legs - Legs Only. **Ex: 1013912**
- For a Gearside Leg, put a **'-2'** on the end of the part number. **Ex: 1013912-2**
- For a Nongear Leg, put a **'-1'** on the end of the part number. **Ex: 1013912-1**

With Jost Landing Gear Sets, Kits, Gearside and Nongear Legs:

- Put a **'K'** on the end of the part number to get the Gearside and Nongear landing along with a crank handle, brace ears, and cross shaft. **Ex: A400-T-17K**
- Put an **'S'** on the end to get just the Gearside and Nongear Legs - Legs Only. **Ex: A400-T-17S**
- For a Gearside Leg, put a **'RH'** on the end of the part number. **Ex: A400-T-17RH**
- For a Nongear Leg, put a **'LH'** on the end of the part number. **Ex: LG4001-71LH**

With SAF-Holland Landing Gear Sets, Kits, Gearside and Nongear Legs:

- Put a **'K'** on the end of the part number to get the Gearside and Nongear landing along with a crank handle, brace ears, and cross shaft. **Ex: LG4001-70K**
- Put a **'S'** on the end to get just the Gearside and Nongear Legs - Legs Only. **Ex: LG4001-70S**
- For a Nongear Atlas 55 or 65, put a **'1'** on the end of the part number. **Ex: LG4001-72**
- For a Gearside Atlas 55 or 65, put a **'2'** on the end of the part number. **Ex: LG4001-71**
- For a Gearside Mark V, put a prefix of **'XA-S8'** on the part number. **Ex: XA-S8-1A105**
- For a Nongear Mark V, put a prefix of **'XA-S9'** on the part number. **Ex: XA-S9-1A105**

If you would like a different crank handle than what comes in the kit, many landing gear sets have that option.

These Landing Gear have different leg travels and load capacities. This is a listing to let you know what we have in choices of Landing Gear. All of these Landing Gear have more part numbers than the ones listed here, changing the footware, travel, or capacity. As your Landing Gear Headquarters, we add new legs all the time!

FLEETCRAFT Roll-Up Door

- The Fleetcraft Top Seal is made of aluminum and therefore won't leave rust streaks running down the face of the door.
- Medium Density Overlay(MDO) is primed during lamination creating a smoother finish and improved barrier against moisture. Get a longer lasting door panel!
- All doors are traceable by serial number.
- Professionally packed for protection during shipping. Hardware is neatly packed and hekked by weight to account for all neccessary components.
- All panel routes and holes are machined by CNC for a complete consistent tight fit. CNC machined panels ensure rivets are installed in a tight straight line.
- Replacement door operator/counterbalance comes boxed to ensure damage free product.

WHITING ROLL-UP DOOR ASSEMBLIES

The roll-up door that made Whiting famous

The world's first practical roll-up truck/trailer doors, introduced by Whiting in 1953. Now better than ever! Designed and built by Whiting in their own plants with heavy-duty components manufactured with the finest quality materials, their PREMIUM QUALITY Roll-up Doors are the finest quality dry freight roll-up doors on the market. Parts designed for quick and easy replacement save downtime so Whiting doors cost less to own. With Whiting doors you get World Class Quality...Made in the U.S.A.!

Standard Features:

- Premium grade 7 ply, 3/4" panels manufactured with a medium density overlay (MDO) laminated to smooth hardwood outer veneers of Transportation Core™ plywood, all designed for optimum strength and appearance.
- 2" track and nylon rollers for durability.
- Tongue and groove joint.
- 2 cable balancer with independent spring for each cable.
- Springs treated with rust preventative.
- 4 rows of hinges.
- Patented roller change hinge design.
- Rigid bottom steel U-channel or aluminum channel with replaceable seal.
- Coated steel or stainless steel rivets.
- **Prime painted at factory.**
- Door hardware E-COATED.
- **Pre-Painted White at factory.**

1014257	135"	Stainless	7/16"	Blue

Standard Feature:

Todco is committed to continually pioneering overhead door technology.

A perfect example is the use of premium grade wood in the Transportation Core™, a 3/4" 7-ply, medium density overlay panel. It starts with a premium-grade hardwood outer veneer that virtually eliminates wood grain "telegraphing" for a smoother, more uniform look.

Other Features Available:

Four-knuckled hinges, stainless steel rivets, self-adjusting springless maximum security locks, quiet nylon tube hinges, space-saver 1" side clearance, rust-inhibiting e-coating, pre-lubed sealed rollers, and recessed hardware.

Todco identifies right hand and left hand parts as if **you are standing inside the trailer facing towards the rear.** *This pertains only to Todco.*

COUNTERBALANCE ASSEMBLIES

Item	Part No.	Description
15A	59292T	Counterbalance Assembly, Outside Cables, 98" Shaft
15B	59174-90T	Counterbalance Assembly, Outside Cables, 90" Shaft
15C	59209T	Counterbalance Assembly, Shallow Header, 96" Shaft, Up To 105" Door Height.
15D	59220T	Counterbalance Assembly, Shallow Header, 96" Shaft, 105"-112" Door Height.

Every TODCO counterbalance assembly has been manufactured to meet a custom door specification. TO HELP ENSURE THAT YOU RECEIVE THE CORRECT REPLACEMENT PART OR ASSEMBLY, PLEASE PROVIDE THE DOOR SERIAL NUMBER.

This can be found on the metal tag attached to the inside upper right-hand corner of the door.

If the serial number is unavailable, we must have the following information:

- 1) Inside diameter (I.D.) of the torsion spring.
- 2) Length of the torsion spring.
- 3) Number of coils within 10" of the torsion spring.
- 4) Length of the shaft.
- 5) Part number on each of the 2 cable drums.

Common Abbreviations

Abbreviation	Meaning
Str/mt	Straddle Mount
Un/mt	Under Mount
Un/mt (I-Beam)	Under Mount (I-Beam)
Si/mt	Side Mount
Fl/mt/wo	Flange Mount, Weld-On
Fl/mt/bo	Flange Mount, Bolt-On

The 9700 Series suspensions are available in single, tandem and multi-axle configurations.

Single Axle (S)

Tandem Axle (T)

Tri-Axle (Tri)

In addition to the standard overslung configuration, an underslung configuration is available for reduced mounting heights. Mounting height (Mtg/ht) is the distance from the center line of the axle to the top of the spring hangers.

Overslung (OS)
w/ Standard U-Bolt Configuration

Underslung (US)

Inverted U-Bolt
Configuration

The standard 9700 Series suspensions have U-bolts that point downward (threads and nuts below the axle). However, a model is available with inverted U-bolts (threads and nuts above the axle).

Fabricated (FH)

Straddle Mount (Str/mt)
Straddle Mount Hangers are for use with box type frames. Each hanger straddles the frame and is welded to both sides of the frame. This is our strongest hanger mounting.

Cast (CH)

Under Mount (Un/mt)
Under Mount hangers are welded flush to the bottom of the frame. For an added weight savings in I-beam applications special fabricated front and rear hangers without top plates are available.

Fabricated (FH)

Cast (CH)

Under Mount Weld-on (Un/mt/wo) and Side Mount Weld-on (Si/mt/wo)
These versatile Weld-on hangers can be used for either under mount or side mount applications.

Side Mount (Si/mt)
Side Mount Hangers are welded to the side of the frame. They are useful on ballbed sliders and "maximum cube" vans.

Fabricated (FH)

Flange Mount (Fl/mt)
Flange Mount hangers are available with or without bolt holes. Hangers may be bolted (Fl/mt/bo) or welded (Fl/mt/wo) to the frame, or a combination of bolting and welding may be used.

Cast (CH)

Continental Air Spring Systems is one of the world's largest air spring manufacturers. Continental has been developing diverse solutions to meet our global customer's needs and requirements for over five decades. From this experience, Continental now offers the world's largest range of air springs. Continental's unique test facilities can simulate every suspension kinematics, plus cover all the significantly relevant force and frequency data developed in operational testing.

The Continental durability tests can simulate the full service life of any commercial vehicle. Together with the results obtained in test drives, this enables Continental to supply reliable performance data on all suspension properties.

Since the 1930's, Firestone has designed and manufactured more air springs for more applications than any other company in the world. As a result, almost all Class 8 trucks and many of the trailers on the road today now ride on air springs.

Firestone engineers lead the way in developing and testing anti-vibration solutions for a variety of commercial vehicle applications, including truck cabins and interiors, seats, chassis mounts and powertrain mounts.

Tire Inflation TPMS

Hendrickson Tiremaax

TIREMAAX LINEUP

TIREMAAX CP

Reacts to underinflated conditions

- Automatically inflates tires to factory pre-set target pressure setting
- Continually checks tire pressure without pressurizing the axle or wheel-ends

TIREMAAX PRO

Responds to under and overinflated conditions as well as inconsistent pressures between mismatched duals

- Automatically inflates tires to factory pre-set target pressure setting
- Prevents overinflation by relieving air from tires back through the controller
- Equalizes tire pressure at every wheel position to help reduce scrubbing between dual tires for improved tire life

TIREMAAX PRO-LB

Adjusts for under and overinflated conditions, inconsistent pressure between mismatched duals and changes in trailer load

- Optimizes tire pressure across all loading conditions to help prevent irregular wear and maximize uptime
- Helps improve trailer handling and tread wear when lightly loaded
- Tailored for carriers that seldom gross-out and/or travel many empty miles

Meritor PSI

MERITOR

MERITOR TIRE INFLATION SYSTEMS (MTIS) FEATURES & BENEFITS

Extends Tire Life

- Federal Motor Carrier Safety Administration (FMCSA) and U.S. Environmental Protection Agency (EPA) studies show a 10% larger tire life with tire inflation systems
- Continuous inflation prevents early retreading and reduces fleet tire costs
- Helps preserve tire casing for maximum retreading quality

Increases Fuel Economy

- Proper tire pressure means better fuel economy
- Proven 1.4% average improvement in fuel economy per vehicle based on a FMCSA real-world study on tire inflation systems

Decreases Fleet Maintenance Costs

- Less time spent on manual pressure checking and filling
- Longer intervals between retreads

Improves Safety

- Prevents underinflation, which is leading cause of tire blowouts
- Reduces the risk of road accidents caused by inflation
- Delivers real-time warnings for tire issues

Closed End Rivet

Features/Benefits

- Moisture-resistant due to closed end
- Greater shear and tensile strength
- Mandrel is retained 100% of the time
- 1/8" to 1/4" diameters

Multi Grip Rivet

Features/Benefits

- Extended grip range capacity
- Reduces inventory (fewer sizes required)
- Use as a standard open-end rivet
- 1/8" to 3/16" diameters

Pop Rivet

Features/Benefits

- Blind fastening where there is no access to the opposite side
- Simple to install
- 3/32" to 1/4" diameters

Mono Bolts

NEWLIFE

HEAVY DUTY TRAILER PARTS

Better

VOYAGER®

Regional route trucks, city delivery and coach applications. The Voyager wheel seal features a rugged design, simple installation and proven performance make Voyager the right choice for fleets seeking a superior seal for everyday stop-and-go traffic environments.

GRIT GUARD®

For severe service; dirty, unfriendly environments; cold-climates. Engineered for exceptional performance, durability and contaminant exclusion in severe service applications, the STEMCO Grit Guard hub seal features a two-piece design that reduces maintenance and unnecessary wear on expensive spindles.

Best

DISCOVER®

The premium seal with STEMCO's latest technology, required to obtain STEMCO's PPS warranty package. Made with a high-quality temperature-resistant material and featuring multi-labyrinth sealing for long-life applications, these high-performance seals have been equipped with the patented GlideLock technology to deliver the most advanced wheel seal available.

GUARDIAN® HP

The standard seal for trailer and axle original equipment manufacturers. The Guardian HP incorporates the best features for preventing the leading causes of seal-life degradation - contamination ingress and heat generation.

Good

SCOTSEAL CLASSIC

When reliability in extreme operating conditions and wide temperature ranges are crucial drivers, Scotseals provide excellent service life and dirt exclusion. Designed to retain oil or grease, they are available in a number of sizes for the most common steer, drive or trailer axles.

Better

SCOTSEAL X-TREME

Boost your truck uptime and increase service intervals with the Scotseal X-Treme. It is available in various dimensions for truck, bus and trailer wheel ends for driven and non-driven axles.

Best

SCOTSEAL PLUS XL

Equip your semi to be Ready for the Road Ahead™, with the SKF Scotseal Plus XL Wheel Seal for 12,000 lb Steer Applications, a crucial component for enhanced axle protection and lubricant leakage prevention. Due to its ability to tightly fit inside the hub assembly, this replacement wheel seal effectively prevents contaminants from entering the wheel, while locking in lubricant.

RED 37 SERIES

Single spring-loaded sealing lip effectively pumps lubricant back into hub. Unitized construction provides structural integrity and main lip protection. Unique SURE-LOCK I.D. rib technology firmly grips shaft and provides superior contaminant exclusion. Metal O.D. maintains position on hub bore. Three floating points of contact lock out dirt and moisture.

GOLD 38 SERIES

Patented PTFE Lay-Down Bi-Directional Sealing Lip maintains constant sealing during wheel movement. Four floating points of contact and bumper pad that inhibits contaminant entry into the hub. SURE-LOCK I.D. rib technology firmly grips shaft and provides superior contaminant exclusion. Metal O.D. maintains position on hub bore. A unitized shield prevents damage to PTFE oil sealing lip and provides structural integrity.

RED 375 DYNAMIC EDGE®

DYNAMIC EDGE® pumping feature deflects contamination away from the face of the seal. Four floating points of contact lock out dirt and moisture. Single spring-loaded sealing lip effectively pumps lubricant back into hub. Unique SURE-LOCK I.D. rib technology firmly grips shaft and provides superior contaminant exclusion. Unitized construction provides structural integrity and main lip protection. Metal O.D. maintains position on hub bore.

Good

Pro-Torq®

Increase tire life and reduce seal failure with the Pro-Torq® axle fastener. With bearing adjustment increments down to 0.001" and exacting cup and cone alignment on the spindle, nothing compares to the precision of Pro-Torq. By producing reliable low end play bearing adjustments and axial motion control, Pro-Torq helps ensure accurate wheel-speed monitoring on anti-lock braking systems.

Better

Zip-Torq®

With its robust single piece design, Zip-Torq takes the guess work out of bearing adjustment. Zip-Torq is a unitized axle fastener that uses a patented self-locking ratchet system to secure the wheel end and prevent back off. Zip-Torq consistently delivers accurate endplay between .001"-.005" using the STEMCO 2-1-1 method. Single piece design allows installation without special tooling. No clips, keepers, snap rings or screws to install.

Best

Auto-Torq®

The Auto-Torq axle fastener is designed to streamline wheel end installation by eliminating the need for complex processes and specialty tools—no washers, clips, snap rings, screws, or keepers needed. An all-in-one solution that's compatible with any industry hub manufacturer, Auto-Torq securely applies the optimum clamp load on the bearings every time to minimize wear and maximize service life.

3-Piece Nut

Increase tire life and reduce seal failure with the Pro-Torq® axle fastener. With bearing adjustment increments down to 0.001" and exacting cup and cone alignment on the spindle, nothing compares to the precision of Pro-Torq. By producing reliable low end play bearing adjustments and axial motion control, Pro-Torq helps ensure accurate wheel-speed monitoring on anti-lock braking systems.

Precision 240®³ & 320®²

The PRECISION NUT system features five times the adjustment resolution of competitive spindle nut systems to allow for more precise bearing adjustments thus elevating bearing and seal performance beyond traditional levels. Additionally, the system's unique two-piece design can help save installation time compared to competitive three-piece nut systems.

Wheel Nuts

Euclid	Fleetcraft	Description	Thread
EUCE9020	106333	Wheel Nut	22MMX1.5, 33MM Hex
E5991	88881	Wheel Nut - Flanged Nut	22MMX1.5, 33MM Hex

E5991

Wheel Guards

Part Number	Description	Holes	Stud Size	Bolt Circle
ACU590-1	Wheel Guard - Stud Piloted	10	7/8" & 1-1/8"	11.25"
ACU590-2	Wheel Guard - Stud Piloted	10	3/4"	11.25"
ACU590-3	Wheel Guard - Hub Piloted	10	22MM	11.25"
ACU790-2	Wheel Guard - Hub Piloted	8	22MM	10.83"

ACU590-3

Accuride Corporation manufactures wheels, wheel end, and braking components for commercial and passenger vehicles. Our lean global manufacturing footprint means Accuride is trusted by original equipment manufacturers and the aftermarket to deliver the best products, and deliver them on time.

Our products include steel and aluminum commercial vehicle wheels and wheel-end components and assemblies. These products are marketed under some of the industry's most recognized business and brand names: Accuride Wheels and Accuride Wheel End Solutions.

Aerodynamic **Products**

Skirts & Components

Part Number	Description	Replaces
207000WHITE	Trailerblade Steel Panel w/ Polyester Coating, Steel Struit with Dual Coil Springs, 190" x 32"	

Part Number	Description	Replaces
LAYTRAS961	Laydon Bracket for Skirts with Fastener, 28.4", 1-Bolt	

Part Number	Description	Replaces
T-FLEX	Blue Bracket Skirt Support	MFS-4545-2A

Part Number	Description	Replaces
WAB21800325	Duraplate 9" Flexskirt Assembly, 96" Blank for Aeroskirt	

Part Number	Description	Replaces
TOPKIT-WHITE	Side Fairings Aero Rain Guard

NEWLIFE

HEAVY DUTY TRAILER PARTS

Manufacturing Partners

3-Year Limited Brake Shoe Warranty

The FleetCraft thermo-finishing paint process offers superior bonding and protection for our brake shoes. Our process offers a long-lasting durable coating that ensures superior performance in all environments. Due to this superior process, FleetCraft offers a 3-year limited warranty on our brake shoes.

The limited brake shoe warranty covers 3 years from date of manufacture, provided proof of purchase is present with the return. The limited brake shoe warranty covers all brake shoe product manufactured at our facility using our thermo-finishing and riveting process.

The 3-year limited brake shoe warranty is non-transferable.

Warranty Coverage Details

This brake shoe warranty DOES NOT cover:

- Failure of a product due to a defect in the products design/application or where the plans were altered from original equipment.
- Any claims due to misuse, accident, abuse, neglect, normal wear, abnormal wear, or improper application.
- Claims where the friction pad is worn below the wear indicator (if applicable) or worn to the point where the rivets touch the drum surface.
- Claims where the product's failure is caused by lack of service or proper maintenance.
- Brakes that are worn out due to improper installation or failed installation of other brake products, causing excessive strain or use on the remaining wheels on the vehicle.
- Brakes contaminated with foreign minerals and materials, including grease from blown seal, cement, gravel, and other select foreign materials.
- Warrant-able items that are not returned to FleetCraft within 90 days of the initial warranty incident.

THIS LIMITED WARRANTY IS IN LIEU OF AND EXCLUDES ALL OTHER WARRANTIES, ARISING BY OPERATION OF LAW OR OTHERWISE, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND IN NO EVENT WILL FLEETCRAFT BE LIABLE FOR INDIRECT, SPECIAL, PROGRESSIVE, INCIDENTAL OR CONSEQUENTIAL DAMAGES OR ANY COST OUTSIDE THE LIMITATIONS INCLUDING, BUT NOT LIMITED TO, COSTS INCURRED FOR SERVICE CALLS, TOWING, OR DOWNTIME.

Warranty Submission Details

All brake warranties must be issued an RGA number prior to their return and be accompanied with a warranty tag stating the concern of the goods, customer name, and customer location.

All warranty returns are to be sent to the following address:

NEW LIFE TRANSPORTATION PARTS CENTER

TERMS AND CONDITIONS OF SALE

(Effective April 2022)

1. **Offer and Acceptance.**

(a) These New Life Transportation Parts Center Terms and Conditions of Sale (these “***Terms and Conditions***”), together with the terms of any other document in which these Terms and Conditions are attached or are incorporated (collectively, this “***Agreement***”) apply to (i) any quotation, proposal, or offer to sell (“***Offer***”) made by Hinton Transportation Investments, Inc. d/b/a New Life Transportation Parts Center (“***Seller***”) for the sale of Seller’s goods and/or services (collectively, the “***Goods***”); (ii) any purchase order or related attachments, schedules, exhibits, designs and drawings (collectively, an “***Order***”), issued by the buyer-party purchasing the Goods or that party’s subsidiaries and affiliates (collectively, “***Purchaser***”); and (iii) any written master purchaser or supply agreement executed by Seller and Purchaser for the sale of the Goods. Purchaser accepts, and will be deemed to be bound by, the terms of this Agreement upon the first to occur of the following: (A) Purchaser’s written acknowledgment of this Agreement in writing; (B) Purchaser placing an Order with Seller; (C) delivery of the Goods by Seller pursuant to any Order or similar type of request by Purchaser; (D) acceptance of the Goods by Purchaser; or (E) payment for the Goods by Purchaser.

(b) Purchaser’s acceptance is expressly limited to the terms of this Agreement and this Agreement exclusively governs the sale of Goods by Seller. Any reference in this Agreement to any request for quotation, request for proposal, or any other similar bid document made by Purchaser is solely for the purpose of incorporating the description and specifications of the Goods contained in such document, but only to the extent that such description and specifications do not conflict with the description and specifications contained in this Agreement or otherwise agreed to or accepted by Seller in writing. Any additional or different terms proposed by Purchaser, whether in Purchaser’s Order or otherwise (including, without limitation, Purchaser’s general terms and conditions of purchase), or any attempt by Purchaser to vary the terms of this Agreement in any way, are expressly rejected by Seller, are not part of this Agreement and do not apply to the sale of Goods, and are not binding on Seller without the express prior written acceptance of such terms by Seller’s authorized representative; *provided, however*, Seller will be deemed to accept those portions of an Order issued by Purchaser that contain terms and conditions that are same as the terms and conditions set forth in this Agreement. The parties have agreed and it is their intent that the “battle of the forms” described in Section 2-207 of the Uniform Commercial Code will not apply to this Agreement or to any Order or other purchasing document of Purchaser relating to this Agreement.

(c) None of the terms, provisions or conditions of this Agreement may be modified, altered or added to except by written instrument signed by a duly authorized representative of Seller and Purchaser. Any agreed upon change may be subject to an equitable adjustment in the purchase price and/or time for performance.

2. **Duration.** Unless otherwise agreed by Seller in writing, the term of this Agreement shall take effect immediately and will expire twelve (12) months thereafter (the “***Term***”). Notwithstanding the expiration or termination of this Agreement, Purchaser will be responsible for the payment of any finished Goods, work-in-progress, and all costs incurred or other materials made or committed for this Agreement as a result of an Order issued by Purchaser to Seller.

3. **Quantity.** Even if this Agreement does not require Seller to supply a specified quantity of Goods or an Order is designated as “blanket” or does not contain a specific quantity, this Agreement is not a requirements contract and Seller is only obligated to supply Purchaser the Goods in an amount not less than one (1) unit. Each Order must be separately accepted by Seller to be binding and Seller may accept such Order by agreeing to deliver the Goods in writing or delivering the Goods. Any variation in quantities shipped over or under the quantities ordered (not to exceed 10%) will constitute compliance with Purchaser’s Order; provided, however, the stated price will be equitably adjusted to account for any quantities under shipped.

4. **Price and Payment.**

(a) **Price.** Prices for the Goods will be as agreed by Seller and Purchaser in a signed writing or, if there is no writing signed by the Parties as to the price of the Goods, the price specified in the Offer. All Offers are open for acceptance by Purchaser for thirty (30) days from the date Seller issues the Offer to Purchaser. After thirty (30) days, prices and lead times set forth in the Offer are subject to change without notice and may be re-quoted. All Offers must be in writing and verbal Offers are not binding on Seller unless confirmed in a writing signed by Seller. Any prices shown in any other material of Seller (including catalogs, brochures, and websites) are subject to change without notice. Unless otherwise agreed by Seller in a signed writing, Seller's prices do not include transportation, freight, handling, special handling, delivery and insurance costs or any all foreign or domestic federal, state, provincial and local taxes (including sales, use, value-added and excise taxes), assessments, tariffs, duties, and any similar fiscal contribution related to the sale, use, shipment, transportation, or delivery of the Goods, all of which shall be the sole responsibility of Purchaser and payable by Purchaser (whether directly or by reimbursement to Seller) in addition to Seller's price.

(b) **Payment.** Purchaser will pay for Goods without setoff, recoupment, or deduction of any kind, in U.S. funds (or the currency agreed upon by Purchaser and Seller in a signed writing). Unless otherwise set forth in a writing signed by Seller, payment for the Goods will be due and payable within **thirty (30) days** following the earlier of (i) the date of Seller's invoice or (ii) Purchaser's receipt of the Goods. Purchaser will not be entitled to any discount for early payment. Notwithstanding the preceding sentence, and unless set forth in a signed writing by Seller, a down payment of thirty-five percent (35%) for payment due under an Order must be paid by Seller to Purchaser (and will be a condition precedent to acceptance of the Order) for (1) all Orders that Seller considers to be large as determined by Seller and communicated by Seller to Purchaser; (2) Purchaser's first Order with Seller; and (3) any other Order that Seller, in its reasonable discretion, determines requires such down payment. If payment is not made as provided in this Agreement, Seller may, at its option and without notice: (A) suspend performance of its obligations under this Agreement, including, without limitation, delay or suspend shipments to Purchaser until such breach has been cured; (B) require payment in advance as to future deliveries or require security to ensure payment; (C) demand return from Purchaser of any Goods for which payment has not been made; or (D) cancel this Agreement. If Seller's performance or shipment is delayed or suspended at the request of Purchaser, payment shall become due on the date when the Seller is prepared to make shipment and such payments shall be made based on the purchase price and the percentage of completion. All amounts due to Seller but not paid by Purchaser on the due date will bear interest on the unpaid balance of amounts due at a rate that is equal to one percent and one-half percent (1.5%) per month, or the maximum rate permitted by law, until paid. Purchaser agrees to indemnify and hold harmless Seller from any and all legal fees and costs that may be required to collect any overdue balances. If deliveries of Goods are to be made in installments, the purchase price of each installment shall, at Seller's option, be recoverable as a separate sale. The remedies contained in this **Section 4** are cumulative and shall be in addition to any other remedies available to Seller under applicable law.

5. Delivery; Import and Export; Risk of Loss.

(a) Delivery dates are estimates only and Seller will use commercially reasonable efforts to deliver the Goods on dates requested by Purchaser. All delivery dates are subject to Seller's lead times as communicated by Seller to Purchaser. Seller shall not be liable for any delay in delivery of any kind, regardless of cause or extent. All sales and delivery dates are contingent on the ability of Seller and its suppliers and manufacturers to secure any applicable raw materials and the absence of any event of Force Majeure (as defined below). Unless otherwise agreed in writing by Seller, **Seller will deliver the Goods EX WORKS (Incoterms 2020) to Purchaser's carrier at the designated manufacturing facility. Title and risk of loss to the Goods will pass to Purchaser when the Goods are placed in the possession of Purchaser's carrier; provided, however, Seller shall retain a purchase-money security interest in the Goods as security until payment in full is received. Seller assumes no liability for any loss or damage to Goods during shipment or transportation, whether from the manufacturing facility and regardless of whether Purchaser or Seller is responsible for the transportation of the Goods.** Purchaser must inspect shipments before shipment or during unloading to identify any such loss or damage. Any claims for lost or damaged Goods by Purchaser must be made to the applicable third-party carriers or freight forwarders, as applicable; provided, however, if Seller is responsible for the transportation then Seller will provide Purchaser commercially reasonable assistance in the submission of the claim. Seller may, at its option, deliver all Goods in one lot or several lots from time to time, as long as such delivery are within the time frame set forth in the Order or this Agreement, as the case may be. To the extent delivery is in several lots, Purchaser agrees that the prices for the Goods can be apportioned and can be demanded for in each lot.

(b) Unless agreed in writing by Seller, Purchaser or its designated agent: (i) will be the importer and exporter of record on all cross-border transfers, returns, and others shipments of Goods, (ii) will not list Seller on any import, export, or other customs documentation, and (iii) will be directly responsible for ensuring that such cross-border transfers and shipments of the Goods comply with all export, import and other applicable laws (including export licensing, shippers export declaration, and export invoice). As the importer and exporter of record, Purchaser or its designated agent will be responsible for payment of any taxes, duties or fees, and will be responsible for all required recordkeeping, registration, reporting and licensing. Seller will incur no liability arising from any assistance Seller provides in preparing any documentation or otherwise.

(c) Title and risk of loss to the Goods will pass to Purchaser when the Goods are placed in the possession of Purchaser's carrier; provided, however, Seller shall retain a purchase-money security interest in the Goods as security until payment in full is received. Seller assumes no liability for any loss or damage to Goods during shipment or transportation, whether from the manufacturing facility and regardless of whether Purchaser or Seller is responsible for the transportation of the Goods. Purchaser must inspect shipments before shipment or during unloading to identify any such loss or damage. Any claims for lost or damaged Goods by Purchaser must be made to the applicable third-party carriers or freight forwarders, as applicable; provided, however, if Seller is responsible for the transportation then Seller will provide Purchaser commercially reasonable assistance in the submission of the claim. Seller shall not be responsible for the accuracy of shipping weights, if any, listed on any transportation documents. Such weights are given only for the purpose of enabling Purchaser to estimate transportation cost.

6. **Force Majeure.** Seller will not be held liable, or deemed in default, for any failure or delay in fulfilling or performing any of its obligations under this Agreement if such failure or delay is caused by, or results from, acts beyond Seller's reasonable control, whether or not foreseeable, including, without limitation, fire, flood, drought, acts of nature, war, hostilities, terrorist threats or acts, riot or other civil unrest, strikes, lockouts, slowdowns or other labor unrest, delays in transportation, shortage of power, unavailability of raw materials, increased costs in raw materials or related components (including any increase in costs by governmental action that were not in place at the commencement of this Agreement), embargo, government action (including any law, rule, order or action of any court or instrumentality of the federal or of any state government or Seller's good faith compliance with any governmental directive concerning the health and safety of Seller's personnel)), earthquake, explosion, emergency (whether national, regional, state, or local), pandemic, epidemic, plague, disease, virus, other outbreak, quarantine or travel restrictions (collectively, the "**Force Majeure**"). A Force Majeure being experienced by Seller's subcontractors or third party manufacturers (or any other party in Seller's supply chain) will be deemed a Force Majeure being experienced by Seller. During the period of Force Majeure, at Seller's option, either (i) the date of delivery shall be extended for a period equal to the time lost due to any Force Majeure, or (ii) any quantity of Goods affected by a Force Majeure shall be deducted from the total quantity required to be sold to Purchaser. Seller, during any period of shortage due to a Force Majeure, may allocate its available supply of Goods among itself and its customers on whatever basis it deems desirable and Purchaser agrees that Seller is not required to mitigate any impact of the Force Majeure.

7. **Acceptance and Return of Goods.** Purchaser will inspect the Goods immediately upon receipt. Unless Purchaser provides Seller with written notice stating with specificity any defects, nonconformities, or shortage relating to the Goods within the **forty-eight (48) hours** following Purchaser's receipt of the Goods, such Goods will be deemed fully and finally inspected, checked and accepted by Purchaser, and any such claims for defects, nonconformities, or shortages will be waived by Purchaser. Upon acceptance of Goods, Purchaser waives any right to revoke such acceptance for any reason, whether known or unknown to Purchaser at the time of acceptance. Seller has a reasonable period of time to cure any nonconformity. **Goods may not be returned without Seller's prior written return authorization and, once authorized, Purchaser may return the Goods Delivery Duty Paid (Incoterms 2020) to the destination determined by Seller and in accordance with instructions issued by Seller, including provision of the packing list and corresponding Seller invoice.** Failure to follow Seller's return procedures may result in lost Goods, delays, additional service, restocking charges, warranty denial, or refusal of a shipment. Seller has the right to reject Goods returned without Seller's approval.

8. **Cancellation and Changes.** Purchaser may not cancel Orders, change the timing of scheduled shipments, or direct temporary suspension of scheduled shipments without Seller's prior written consent. Cancellations of Orders or rescheduling of shipments shall be subject to cancellation charges which will include (i) payment of any finished Goods, work-in-progress, and all other materials made, purchased by Seller, or otherwise committed for the Order; (ii) any liability, damages, or claims incurred by Seller arising from such cancellation; and (iii) the gross profit on the cancelled portion of the Orders, which amount will not equal less than fifteen percent (15%) of the unpaid portion price. The cancellation charges described in the preceding sentence are not a penalty or liquidated damages, but are in recognition of the lost opportunity cost to Seller. All changes to Orders must be submitted by Purchaser to Seller in writing and will not be effective unless and until Seller consents in writing to the change(s). Seller will advise Purchaser in writing of the price and/or delivery schedule impact, if any, of the change request. Seller will not be required to accept any changes without Purchaser's written acknowledgement of any price and/or delivery schedule adjustments, if any.

9. **Allocation.** Seller will not be required to sell a greater quantity of Goods than Seller or Seller's subcontractors has available or has allocated for this Agreement. If Seller is unable to supply the total demands for any Goods, Purchaser acknowledges and agrees that Seller may allocate its available supply among its customers in any manner Seller deems fair and equitable. SELLER WILL NOT BE OBLIGATED UNDER ANY CIRCUMSTANCES TO PURCHASE GOODS FROM PARTIES OTHER THAN ITS DESIGNATED SUPPLIERS OR MANUFACTURES TO MEET PURCHASER'S DEMANDS, NOR WILL IT BE LIABLE FOR ANY DAMAGES OR CLAIMS ARISING THEREFROM.

10. **Intellectual Property.** Except to the extent provided in a separate written agreement between Purchaser and Seller,

this Agreement will not be deemed to transfer, assign, or license any right, title, or interest in and to, any idea, invention, concept, discovery, work of authorship, patent, copyright, trademark, trade secret, know-how, formula, design, engineering drawing, device, compilations of information, manufacturing methods or processes, tooling or other intellectual property owned by a party or its third party licensors (collectively “**Intellectual Property**”). Notwithstanding the foregoing, each party hereby provides the other party with a limited, revocable, and royalty free license to such party’s Intellectual Property solely to extent required for a party to perform its obligations under this Agreement. Purchaser will not use Seller’s or its subcontractor’s Intellectual Property, in whole or in part, to copy, redesign, reverse engineer, replicate or manufacture (or enable manufacture by itself or any third party) all or any portion of the Goods.

11. **Confidentiality.** All Intellectual Property, and all other confidential and proprietary information provided by a party (the “**Disclosing Party**”) to another party (the “**Receiving Party**”) under this Agreement including, without limitation, any samples, drawings, know-how, processes, and other technical, business, or financial information, whether provided orally, in writing, by demonstration, or otherwise (collectively, “**Confidential Information**”): (a) is owned by the Disclosing Party; (b) must be kept confidential by Receiving Party and may not be disclosed by Receiving Party to third parties without the express prior written consent of Disclosing Party; *provided, however*, Receiving Party may disclose Disclosing Party’s Confidential Information to Receiving Party’s employees, attorneys, agents, and subcontractors who have a “need to know” the Confidential Information for purposes of carrying out Receiving Party’s obligations under this Agreement as long as such individual and entities are bound by confidentiality terms no less restrictive than those contained in this Agreement; and (c) may not be used by Receiving Party other than is required for Receiving Party to perform its obligations under this Agreement. The confidentiality restrictions in this Section 11 do not apply to information which is (i) already known by the Receiving Party prior to the date of this Agreement and without breach of the confidentiality restriction that the Receiving Party was subject; (ii) acquired by the Receiving Party from a third party which was not, to the knowledge of Receiving Party, under an obligation to the Disclosing Party not to disclose such information; (iii) which is or becomes publicly available through no breach by Receiving Party of confidentiality restrictions to which such Party is or was subject; or (iv) independently developed by the Receiving Party without the use of the Disclosing Party’s Confidential Information. Notwithstanding the above, a Receiving Party may disclose Disclosing Party’s Confidential Information if required by a judicial or government request, requirement, or order as long as (A) to the extent not prohibited by law, Receiving Party gives Disclosing Party written notice prior to such disclosure and (B) Disclosing Party only discloses that portion of Confidential Information required to comply with such requirement, request, or order. Upon the termination or expiration of this Agreement, Receiving Party agrees to return, or destroy (to the extent feasible), Disclosing Party’s Confidential Information in Receiving Party’s possession; *provided, however*, Receiving Party may retain one (1) copy of Confidential Information to the extent required to comply with any legal obligation as long as Receiving Party continues to comply with the provisions of this Agreement.

12. **Warranty.**

(a) **Seller Warranty.** Subject to the limitations set forth in this Agreement, and for a period of one (1) day following Seller’s delivery of the Goods (the “**Warranty Period**”), Seller warrants to Purchaser (and not to any third party) the Goods will be free from significant defects in material and workmanship (the “**Seller Warranty**”); *provided, however*, (i) all Goods sold by Seller are manufactured by third party suppliers and manufacturers and (ii) the Seller Warranty will be no greater than the warranties provided Seller’s suppliers or manufacturer and apply only to the extent that Seller can recover from such third party on their applicable warranty (and Seller will use all commercially reasonable efforts to do so). Upon request, Seller will assign (to the extent assignable) any warranty provided by Seller’s supplier or manufacturer to Purchaser. **THE SELLER WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EITHER EXPRESS, STATUTORY OR IMPLIED, WHICH ARE HEREBY DISCLAIMED AND EXCLUDED BY SELLER, INCLUDING WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR USE, AND ALL OBLIGATIONS OR LIABILITIES ON THE PART OF SELLER FOR DAMAGES ARISING OUT OF OR IN CONNECTION WITH THE USE, REPAIR, OR PERFORMANCE OF THE GOODS.** No third party, including any employee or agent of Seller, is authorized to make any representation, promise, or warranty concerning the Goods and any statements made by those parties are not binding on Seller unless in writing signed by an authorized representative of Seller. Any technical advice furnished by Seller or its employees or agents is for Purchaser’s convenience only and Seller assumes no obligation or liability for the advice given or the results obtained from that advice. A defect in one Good shall not be deemed a defect in all the Goods of a shipment unless each Good is shown to have a defect.

(b) **Warranty Claims.** In order to make a claim under the Seller Warranty, Purchaser must (i) notify Seller, in writing, of the alleged claim or defect and such writing must (A) set forth with specificity the nature of the defect in the Seller Warranty and (B) be delivered to Seller no later than ten (10) business days following Purchaser’s discovery of the defect. Seller reserves the right to test or inspect the Goods to confirm the defect as a condition to any remedy under the Seller Warranty.

(c) **Exclusive Remedy.** **PURCHASER’S SOLE AND EXCLUSIVE REMEDY AGAINST SELLER, AND**

SELLER'S SOLE OBLIGATION FOR ANY AND ALL CLAIMS, WHETHER FOR BREACH OF CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, SHALL BE LIMITED TO, AT SELLER'S OPTION, SELLER REPLACING THE NON-CONFORMING GOODS WITH CONFORMING GOODS, REPAIRING THE APPLICABLE GOODS, OR REFUNDING THE PURCHASE PRICE PAID BY PURCHASER TO SELLER FOR THE APPLICABLE GOODS. IN NO EVENT SHALL SELLER HAVE ANY LIABILITY FOR DAMAGES IN AN AMOUNT EXCEEDING THE PURCHASE PRICE OF THE APPLICABLE GOODS.

(d) Withdrawal of Goods. If Seller determines that any Goods sold to Purchaser may be defective, at Seller's request, Purchaser will withdraw all similar Goods from sale and, at Seller's option, either return such Goods to Seller or destroy the Goods and provide Seller with written certification of such destruction.

13. Limitation of Liability. IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY OR ANY THIRD PARTY, WHETHER IN CONTRACT OR IN TORT OR UNDER ANY OTHER LEGAL THEORY, FOR (I) ANY SPECIAL, INDIRECT, INCIDENTAL, EXEMPLARY OR CONSEQUENTIAL LOSSES OR DAMAGES, INCLUDING, BUT NOT LIMITED TO, ANY DIRECT OR INDIRECT LOST PROFITS OR REVENUE REGARDLESS OF WHETHER SUCH LOSS OR DAMAGE WAS FORESEEABLE OR A PARTY WAS ADVISED OF THE POSSIBILITY OF SUCH POTENTIAL LOSS OR DAMAGE OR (II) ANY DIRECT DAMAGES IN AN AMOUNT EXCEEDING THE PRICE PAID OR PAYABLE FOR THE GOODS AT ISSUE; PROVIDED, HOWEVER, SELLER SHALL BE ENTITLED TO THE PRICE PAYABLE FOR THE GOODS AND THE FOREGOING SHALL NOT BE DEEMED TO LIMIT SELLER'S RIGHT TO SUCH PRICE EVEN IF SUCH PRICE INCLUDES SELLER'S PROFIT.

14. Termination for Cause. Either party may terminate this Agreement for cause prior to expiration of the Term by providing written notice to the other party specifying the applicable date of termination, upon the occurrence of any one or more of the following events: (a) excluding payment obligations, a party materially breaches this Agreement and does not cure such breach within thirty (30) days after receipt of written notice of such breach; (b) a party fails to make any payment due to the other party under this Agreement on or before the due date; or (c) a party (i) becomes subject, voluntarily or involuntarily, to any proceeding under any domestic or foreign bankruptcy or insolvency law; (ii) is dissolved or liquidated or takes any corporate action for such purpose; (iii) makes a general assignment for the benefit of creditors; or (iv) has a receiver, trustee, custodian or similar agent appointed by order of any court of competent jurisdiction to take charge of or sell any material portion of its property or business. Any termination by a party pursuant to this Section 14 will not constitute a waiver of any of any rights or remedies under this Agreement or otherwise provided by law.

15. Indemnification. To the maximum extent allowed by law, Purchaser will defend, indemnify and hold harmless Seller and its present and future directors, officers, shareholders, members, employees, attorneys, agents, representatives, parents, affiliates, and subsidiaries from and against any and all claims, costs, demands, losses, indirect and direct damages (including lost profits, incidental, consequential, and punitive damages), liabilities, causes of action, judgments, settlements, awards, fines, penalties, assessments, and expenses (including costs of defense, mediation, settlement and reasonable attorneys' and other professionals' fees), however described or denominated, brought by any third party (including, Purchaser's employees, subcontractors, laborers, agents, and assigns) arising out of, incidental to, or resulting from (i) Purchaser's negligence, use, ownership, maintenance, transfer, transportation or disposal of Goods; (ii) any infringement or alleged infringement of the industrial and intellectual property rights of others arising from Purchaser's plans, specifications (including Purchaser's trademarks and brand names) or production of Goods ordered by Purchaser; (iii) any personal injury, bodily injury (including death), or property damages arising out of the use of the Goods; (iv) Purchaser's violation or alleged violation of any federal, state, county or local laws or regulations; (v) any negligent or willful act or omission of Purchaser or its respective subcontractors, agents, employees or other representatives; or (v) Purchaser's breach of this Agreement.

16. General Terms.

(a) Notices. All notices, claims and other communications to required or permitted under this Agreement will be made in writing and will be effective only upon receipt.

(b) Entire Agreement. This Agreement, including any attachments, exhibits or supplements attached hereto, and other matter incorporated herein by specific reference, constitutes the entire agreement between Seller and Purchaser with respect to the subject matter of this Agreement and supersedes all prior or contemporaneous oral or written discussions, understandings, representations and agreements.

(c) Subcontracting. Purchaser expressly agrees that Seller may subcontract all or part of the manufacture of the Goods to a thirty party subcontractor, supplier, or manufacturer and the manufacture of the Goods by such third party is not a breach of this

Agreement.

(d) Severability. If any clause in this Agreement is determined by a court of competent jurisdiction to be invalid, the invalidity of such clause shall not affect the validity of the remainder of this Agreement.

(e) Remedies. Except to the extent limited by this Agreement, the right and remedies reserved to a party under this Agreement are cumulative and in addition to all other rights and remedies provided by law or equity.

(f) Assignment. Purchaser may not assign this Agreement or assign or delegate its rights or obligations under this Agreement without Seller's prior written consent. Any purported assignment in violation of this Section will be null and void and of no force or effect.

(g) Governing Law; Venue. This Agreement, and all related documents and matters arising out of or relating to this Agreement, are governed by, and will be construed in accordance with, the laws of the State of Michigan, without regard to any conflict of law provisions. The United Nations Convention on Contracts for the International Sale of Goods is expressly excluded from applying to this Order. Purchaser and Seller each irrevocably and unconditionally agree that the sole and exclusive forum, venue, and jurisdiction for any legal or equitable action or proceeding arising out of or in connection with this Agreement will lie in the United States District Court for the Western District of Michigan, the courts in the State of Michigan sitting in Kent County, and any appellate court with jurisdiction over such courts. The parties hereby irrevocably and unconditionally (i) waive any objection which it may have or hereafter have to the laying of the venue of any such suit, action or proceeding and any claim that any such suit, action or proceeding has been brought in an inconvenient forum including, without limitation, any defense of *forum non conveniens*, international comity, or any other defense based on the location of the parties and (ii) submits to the sole and exclusive personal jurisdiction of such courts. To the extent Purchaser is located outside of the United States of America, Purchaser agrees that any breach of this Agreement and any resulting injury will be deemed to occur in the State of Michigan, United States of America.

(h) Relationship of Parties. Seller and Purchaser are independent contracting parties and nothing in this Agreement will make either party the agent or legal representative of the other for any purpose, nor does it grant either party any authority to assume or to create any obligation on behalf of or in the name of the other.

(i) No Third Party Beneficiary. Except as otherwise provided in this Agreement, the parties agree that the rights and interests of the parties under this Agreement are intended to solely benefit Seller and Purchaser.

(j) Interpretation. For purposes of this Agreement (i) whenever the word "including" (or any variation thereof) is used, it is deemed to be followed by the words "without limitation;" (ii) the word "or" is not exclusive; (iii) section headings are for convenience or reference only, and do not affect the meaning of this Agreement; and (iv) any agreement, instrument, statute, law, regulation or rule defined or referred to herein shall be deemed to mean such agreement, instrument, statute, law, regulation or rule as from time to time amended, modified or supplemented, and includes, in the case of agreements and instruments, references to all attachments thereto and instruments incorporated therein. Both Purchaser and Seller are experienced in business and had the opportunity to have this Agreement reviewed by counsel. Accordingly, no provision in this Agreement may be construed against either Purchaser or Seller as the drafting party.

(k) Survival. To the extent that any provisions of this Agreement are meant to remain valid after this Agreement has terminated, expired or otherwise ended, such provisions have continued validity even after termination.

(l) **CONSULTATION WITH COUNSEL. PURCHASER AND SELLER ACKNOWLEDGE THAT THEY HAVE BEEN GIVEN THE OPPORTUNITY TO CONSULT WITH COUNSEL OF THEIR CHOICE BEFORE ENTERING INTO THIS AGREEMENT AND ARE DOING SO WITHOUT DURESS, INTIMIDATION, OR COERCION AND WITHOUT RELIANCE UPON ANY REPRESENTATIONS, WARRANTIES, OR COMMITMENTS OTHER THAN THOSE REPRESENTATIONS, WARRANTIES, OR COMMITMENTS SET FORTH IN THIS AGREEMENT.**

(m) **JURY TRIAL WAIVER. PURCHASER AND SELLER ACKNOWLEDGE THAT THE RIGHT TO TRIAL BY JURY IS A CONSTITUTIONAL ONE, BUT THAT IT MAY BE WAIVED. EACH OF PURCHASER AND SELLER, AFTER CONSULTING (OR HAVING THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF ITS CHOICE, KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES ANY RIGHT TO TRIAL BY JURY IN ANY ACTION OR OTHER LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER DOCUMENT PERTAINING TO THIS AGREEMENT.**
